Re: Garvey School District November 8, 2016 Bond Measure Election

Enclosed please find the Garvey School District Board of Education RESOLUTION NO. 15-16-17 "RESOLUTION OF THE BOARD OF EDUCATION OF THE GARVEY SCHOOL DISTRICT ORDERING AN ELECTION, AND ESTABLISHING SPECIFICATIONS OF THE ELECTION ORDER" adopted on July 25, 2016 calling for a November 8, 2016 local bond election.

Also enclosed is our Tax Rate Statement.

We expect Exhibit B to be printed in its entirety in each sample ballot/voter pamphlet.

By this letter we are formally requesting to review a proof of the ballot statement language, the full text of the ballot proposition, impartial analysis and ballot arguments that would appear in the voter pamphlet prior to publishing. Please direct this proof to the undersigned as soon as it is available.

We believe that Education Code Section 15122.5 is not applicable and we request that the County not include the following "State Matching Funds" language in the ballot or voter pamphlet:

"Approval of Measure \_\_\_\_\_ does not guarantee that the proposed project or projects in the Garvey School District that are the subject of bonds under Measure \_\_\_\_\_ will be funded beyond the local revenues generated by Measure \_\_\_\_\_. The district's proposal for the project or projects may assume the receipt of matching state funds, which could be subject to appropriation by the Legislature or approval of a statewide bond measure."

If possible, the District would like to request the measure letter designation of "GA, GO, or GE". If not possible, the District requests that we not be assigned the letters "F, N or O".

We would be more than happy to provide you with the resolution electronically in order to facilitate your work, or to assist with this process in any other manner.

This letter also authorizes you to contact David Casnocha of Stradling Yocca Carlson & Rauth, our bond counsel, at (415) 283-2241 if you have any questions.

Sincerely,

Anita Chu  
Superintendent

## Tax Rate Statement

An election will be held in the Garvey School District (the "District") on November 8, 2016 to authorize the sale of up to \$40,000,000 in general obligation bonds. The following information is submitted in compliance with Sections 9400-9404 of the California Elections Code.

1. The best estimate of the tax rate that would be required to fund this bond issue during the first fiscal year after the sale of the first series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$.03000 per \$100 (\$30.00 per \$100,000) of assessed valuation in fiscal year 2017-18.
2. The best estimate of the tax rate that would be required to fund this bond issue during the first fiscal year after the sale of the last series of bonds, based on estimated assessed valuations available at the time of filing of this statement, is \$.03000 per \$100 (\$30.00 per \$100,000) of assessed valuation in fiscal year 2026-27.
3. The best estimate of the highest tax rate that would be required to fund this bond issue, based on estimated assessed valuations available at the time of filing this statement, is \$.03000 per \$100 (\$30.00 per \$100,000) of assessed valuation. This vote is projected to apply in each fiscal year that the bonds are outstanding.
4. The best estimate from official sources of the total debt service, including the principal and interest, that would be required to be repaid if all the bonds are issued and sold will be approximately \$77,800,000.

These estimates are based on projections derived from information obtained from official sources. The actual tax rates and the years in which they will apply may vary depending on the timing of bond sales, the amount of bonds sold at each sale and actual increases in assessed valuations. The timing of the bond sales and the amount of bonds sold at any given time will be determined by the needs of the District. Actual assessed valuations will depend upon the amount and value of taxable property within the District as determined in the assessment and the equalization process.

GARVEY SCHOOL DISTRICT ORDERING AN ELECTION,  
AND ESTABLISHING SPECIFICATIONS OF THE ELECTION  
ORDER**

WHEREAS, the Board of Education (the "Board") of the Garvey School District (the "District") has determined that school facilities within the District need to be acquired, constructed, improved, and equipped in a fiscally prudent manner to enable District to improve the quality of a 21<sup>st</sup> Century education for its students; and

WHEREAS, the State of California (the "State") is not providing the District with enough funding for the District to adequately maintain its educational facilities and academic programs; and

WHEREAS, the Board has concluded that the District's only remedy to avoid undermining its educational programs is to secure local funding that the State cannot take away; and

WHEREAS, the Board has received information regarding the possibility of a local bond measure and its bonding capacity; and

WHEREAS, a local measure will help provide funds that cannot be taken away by the State to upgrade schools, protect student safety, and help the District to qualify for State matching funds; and

WHEREAS, the Board and District has solicited stakeholder and community input on school priorities from parents, teachers, staff, the community and civic leaders: and

WHEREAS, the Board determines that all funds from this measure shall be controlled locally, and be subject to mandatory taxpayer protections, including an independent citizens' oversight committee and audits to ensure funds are spent properly; and

WHEREAS, on November 7, 2000, the voters of California approved the Smaller Classes, Safer Schools and Financial Accountability Act ("Proposition 39") which reduced the voter threshold for *ad valorem* tax levies used to pay for debt service or bonded indebtedness to 55% of the votes cast on a school district general obligation bond; and

WHEREAS, concurrent with the passage of Proposition 39, Chapter 1.5, Part 10, Division 1, Title 1 (commencing with Education Code Section 15264 (the "Act") became operative and established requirements associated with the implementation of Proposition 39; and

WHEREAS, the Board desires to make certain findings herein to be applicable to this election order and to establish certain performance audits, standards of financial accountability and citizen oversight that are contained in Proposition 39 and the Act; and

WHEREAS, the Board desires to authorize the submission of a proposition to the District's voters at an election to authorize the issuance of bonds to pay for certain necessary improvements and enhancements to District educational facilities; and

WHEREAS, the Board hereby determines that, in accordance with Opinion No. 04-110 of the Attorney General of the State of California, the restrictions in Proposition 39 which prohibit any bond money from being wasted or used for inappropriate administrative salaries or other operating expenses of the District shall be monitored strictly by the District's Citizens' Oversight Committee; and

WHEREAS, pursuant to Education Code Section 15270, based upon a projection of assessed property valuation, the Board has determined that, if approved by voters, the tax rate levied to meet the debt service requirements of the bonds proposed to be issued will not exceed the Proposition 39 limits per year per \$100,000 of assessed valuation of taxable property; and

WHEREAS, Elections Code Section 9400 *et seq.* requires that a tax rate statement be contained in all official materials relating to the election, including any ballot pamphlet prepared, sponsored, or distributed by the District; and

WHEREAS, the Board desires to authorize the filing of a ballot argument in favor of the proposition to be submitted to the voters at the election; and
